

North Dallas Bank & Trust Co. James W. Tyra Memorial Scholarship

The officers and employees of North Dallas Bank & Trust Co. ("NDB") have always endeavored to work with and serve the communities located near our banking centers. In 1994, our executive management established the James W. Tyra Scholarship, in honor of the bank's very first Community Reinvestment Act ("CRA") Officer. Mr. Tyra was committed to advancing the hopes and dreams of the local public, and tirelessly gave of himself for the benefit of the youth in the community.

As we enter 2018, the scholarship program begins its 24th year and the bank will, again, award two scholarships valued up to \$4,000 each to seniors from local area public high schools to help offset college costs.

Official 2018 Rules

Eligibility: Applicants must be current high school seniors, in the top 25% of their graduating class, attending a public high school located within the bank's trade area* (approximately 5.50 miles from any NDB banking center). Applicants must be recommended by school counselor or principal and demonstrate financial need (having an annual household income of less than \$58,720**). Applicants must be a full-time student and maintain a cumulative G.P.A. of 3.0 or higher.

Entry Information: Complete the **Scholarship Application** (available after March 09th, 2018, in the counselor's office of public high schools situated within the bank's trade area or by request from the NDB Marketing Department). All sections of the application must be completed for an applicant to be considered eligible. Any missing information will disqualify an application. A current academic transcript, two letters of recommendation (one from high school teacher, counselor, or principal and one from a community member), a student letter outlining personal and educational goals, any other information an applicant would like to share with the selection committee, and all sources of financing for education must also accompany the application.

Amount of Scholarship: A maximum of \$1,000 per year, with a limit of \$500 per semester, will be awarded and paid directly to the financial aid office of the college/university. Failure to enroll by the fall semester of 2018 constitutes forfeiture of all rights to the scholarship. The scholarship may be renewed annually for a period of up to three additional years. To continue eligibility, after completing classes, recipients must remit the prior year's transcript prior to enrolling for the ensuing school year. Failure to abide by these requirements will invalidate the bank's obligation to renew the scholarship.

Additional Terms: Board members, officers and employees of North Dallas Bank & Trust Co. and their family members are NOT eligible for this program. In this instance, "family members" include both immediate and extended family.

Applicant Agreement: By applying and participating, applicant agrees and consents to:

- The official rules and the decisions of the committee and/or NDB representatives
- Allow the use of names, likenesses, and/or photographic images for advertising and promotional efforts, including social media and publicity purposes, without further consent or compensation; and
- Release and hold harmless NDB and/or its employees from any damages arising out of the applicant's participation in this program.

Recipient Notification/Claiming Scholarships: Beneficiaries will be determined by an internal bank committee. The decision of the committee is final. Recipients will be notified by a bank representative either by phone, letter, email or in person.
